Named To Dean's List

Miss Virginia A. Berkley, daughter of Mr. and Mrs. Floyd Berkley, Sr., of Route 1, Pamplin, has been named to the Dean's List for the second semester of the 1974-75 academic school year. To make the dean's list a student must have a 3.0 average or better.

Miss Berkley, a senior at St. Paul's College in Lawrenceville, Va., majoring in History, has been active in college activities. She held memberships in the following organizations. The St. Paul's Gospel Choir, The Journalism Club, The Natural Science Club, and the SNEA-VEA Campus Chapter of SNEA-VEA.

Miss Berkley represented St. Paul's in regional conferences in Richmond, Va. and was chosen as voting delegate to represent St. Paul's at the VEA-NEA State Convention in March, held at Hotel Chamberlain, Old Point Comfort, Va. She was also honored at St. Paul's College Annual Honor's Day in April whereby she was presented an award for her service to the Campus Chapter of SNEA-VFA.

Miss Berkley plans to graduate in December of 1975. Afterwhich she plans to enter the educational profession.

First Virginia MD Walkathon a Great Success

We extend many thanks to the Appomattox Area 4-H'ers for the work which they put into the Walkathon and also to the many other people assisting with the event. Over 200 young people walked with only fifteen not completing the 10 mile route. A total of over $4,000 was pledged to the people walking. We realize that though the walk is finished some of the most important work - **collecting pledges** - remains to be done. We urge all of you who walked to collect your pledges and to turn them in as soon as possible. Pledge money may be turned in at the Appomattox County Extension Office, Appomattox Elementary School, Appomattox Middle School, Pamplin Elementary and in the MD box in the office of Appomattox High School.

We were happy to have Mr. Norman King, Richmond area Director for the Muscular Dystrophy Association, taking part in the walk. Mr. King completed the entire walk. Once all the pledges have been collected we will announce the winner of the bicycle which will be awarded to the person turning in the most pledge money. We're sorry that we didn't have pictures of the walkathon in progress. However, we did get several right after the walkathon of some of the 200 people that walked.

All funds raised in the Walkathon will be given to the Muscular Dystrophy Association to provide for research and service programs provided by the Association. Again, many thanks are extended to the people walking in the event, those assisting with the Walkathon and those of you who pledged money to the walkers.

We also wish to especially thank the Pepsi-Cola Company from Lynchburg, Virginia for providing a concession stand of Pepsi's and Dr. Peppers' for the walkers at the end of the route. We appreciate their cooperation and help with this worthy cause. Note also goes to King's Markets for providing all ice used in providing the refreshment stands along the route. We hope that we will patronize these sponsors for their help and assistance in this community service project.

The following persons walked in the 4-H Muscular Dystrophy Walkathon: Carroll Almond, Jerome Bell, Percy Bell, Duane Blanks, John Randal Caldwell, Tommy Campbell, E. J. of the state's water quality standards for the streams.

A 98-page report on the alternatives, along with a 55-page technical supplement, was sent earlier this month to the committee by Wiley & Wilson.

The group has met twice since the project began in September last year. In its first session at Lynchburg in October, the committee discussed the planning methodology and scope, along with the water quality management plan's links with other water-related plans.

The advisors dealt with waste load allocations, projections of flows and loads, and modeling results in their second meeting March 6 in Lexington. The next meeting after the June 5 session will be Sept. 18.

William H. Hibbert, III, executive director of the Central Virginia Planning District Commission, is chairman of the advisory committee.

After the plan is developed, the State Water Control Board will hold public hearings to invite more participation by citizens in the planning process.

Clements Named Winner In Horse Production

Lawrence Clements, an Appomattox County High School sophomore, has been named area winner of the Future Farmers of America foundation award for horse production. Horse production is a new FFA award sponsored by the American Morgan Horse Foundation.

Clements, 15, is the son of Mr. and Mrs. L. C. Clements, Rt. 1, Appomattox. During the past two years, he has assisted in caring for thirteen horses and ponies. His career objective is to become a veterinarian.

His accomplishments will be considered along with those of five other area winners for the state award.

Penitentiary and suspended two years of the ten years on condition of their good behavior.

These burglaries took place over several months in 1974; and the solving of these crimes and the recent convictions were a major breakthrough accomplished by the Appomattox County Sheriff's Department. Commonwealth Attorney Sam Kerr stated that he hoped that the bringing to justice and the sentencing to prison of these burglars would have a strong deterrent effect on crime in Appomattox County.

At least one company has come forth with a sticker-spreader-extender. They claim that by adding this product to a spray mix of insecticides or fungicides the life of the pesticide is extended for several days. If this material works, grape growers would welcome it to hold Sevin on the foliage for a longer period of time.

Rocks

JUNE 2 - So thankful for the wonderful rain over the week end. Farmers are busy planting tobacco.

Mrs. Clara Garrett and Mrs. Alice Jackson returned from Hillsville last Tuesday where they accompanied their niece, Mabel Farmer and her mother there.

Rev. and Mrs. W. H. Elder, Patricia and Jo Anne and Mr. and Mrs. Glen McIntosh and Melinda left Thursday noon for Radford to attend the graduation exercise of the former's son, Barry, on May 30. They will camp while there.

The Rocks Quartet furnished special music for the revival at Temple Baptist Church at Appomattox on Friday night.

Clarence Richardson got a very big groundhog Saturday afternoon that had been eating his lettuce.

Congratulations to Mrs. Sally Evans of Appomattox, who won an azalea from Superior Tree Nursery on Saturday.

Mrs. Helen Ingo, Mrs. Ethel St. John and Mrs. Clara Garrett attended the wedding of the latter's grandson, Roger Lee Garrett of Lynchburg, on Saturday afternoon.

Mr. and Mrs. R. E. Roach spent the week end in Waynesboro with their son-in-law and daughter, Mr. and Mrs. Larry Williams and Steve.

A speedy recovery is wished Judson Morris, Kenneth Ingo, Frances Paulette and Sally Scruggs who are in the hospital.

The Rocks Quartet went to Portsmouth Sunday evening to have charge of the evening services in Rev. V. L. Hudson's church.

The Friendship Circle will meet with Mrs. Rachel Ranson Tuesday at 1 p.m.

Mr. and Mrs. Frank Lee Elder have moved into the Rocks Community. We welcome them here.

Glen McIntosh and Spud Almond have new pickup trucks.

Gary and Donna Dickerson spent Saturday night with their grandmother, Mrs. Roy Keys.

Mrs. Louise Wagner, Mrs. Louise Roach, Elsie Ranson, Ruth Caldwell went to North Carolina last Tuesday to shop.

Wesley Wagner, of California, and sister, Mrs. Elliott, of North Carolina, were overnight guest of their brother, Rev. Don Wagner and sister-in-law, Mrs. Louise Wagner, of Pamplin, on Wednesday night.

The gravel was put on the churchyard last week. The new lawn was mowed Saturday. The men finished leveling the gravel and pouring the car bumpers. So everything looks good now. It was quite interesting to see different ones get their cars in the right place Sunday night.

A few went down to the Pamplin Drive In, Hwy. 460 after church Sunday night. They enjoyed ice cream and something to eat.

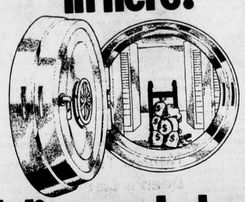
Any bank can help you save money in here.



Fidelity can help you save it out there.

With discounts at some of our best local stores.

While other banks have sat back and watched prices go up; we've come up with something to help bring them back down.

It's a service called "The Going Thing." Which can get discounts for you at some of the best stores around. On things you'd normally buy anyway—but at a higher price.

And we're not talking about discounts of just a few cents either. But reductions that really make sense. From ten to twenty-five percent. Reductions that can easily add up to quite a bundle.

And for once it's money you can save without a lot of doing without. In fact, this is one way you can save without even thinking about it. (Which, when you think about it, is a pretty good deal.)

But that's not all.

Besides plenty of discounts, "The Going Thing" offers you plenty of other things too. Like a bonus checking account. (Which gives you wallet-style checks at no extra cost and no service charge.) Special rates on group trips. A safe deposit box at half price. Preferential rates on instalment loans.

And a $5,000 term life insurance policy (if you qualify).

How you can join in the savings.

Now considering how much you get out of "The Going Thing," you might think it would take a lot to get in on it. But it doesn't. In fact, if you're 18 or older, you can just stop by any Fidelity office and sign up in minutes.

After which all you have to do is carry a "Going Thing" card. (So that store owners will know enough to undercharge you enough.) And pay a monthly fee of from $1.50 to $4.00, depending on how many of our services you want.

Which, when you think about it, is a small amount to pay for what can easily amount to some really big savings.

And we do hope you'll think about it. Along with the fact that no other bank has "The Going Thing" going for it. Except Fidelity. So that when you think about saving, you'll see that you have two pretty clear choices.

Go with any of the banks that can keep your money in a vault. Or go with the one bank that can help you put it there. Us.
